Training Program Highlights

EOA LEVEL II AT THE TENNESSEE MUNICIPAL LEAGUE ANNUAL CONFERENCE JUNE 5-6 | NASHVILLE | TML BOARD ROOM

The University of Tennessee Municipal Technical Advisory Service (MTAS) is holding an Elected Officials Academy Level II. The EOA provides training on municipal services and leadership, and is targeted to new (and often not-so-new) mayors, council members, aldermen, and others, including interested staff. Past graduates attribute their early success with the city, the community and with each other to the information, relationships and insights that they gained through the academy. We hope you can join us!

This exciting academy will be held at the Tennessee Municipal League Board Room. This location is on the ground floor of the building at 226 Capitol Blvd., Nashville. Meals included are dinner on Friday evening and breakfast on Saturday. Dress is casual.

Training Program Highlights cont.

ADMINISTRATIVE HEARING OFFICER TRAINING MAY 21 | NASHVILLE | TML CONFERENCE ROOM

The Administrative Hearing Officer program provides training for both code officials and those seeking to become an AHO. Successful completion of this training authorizes certain participants to serve as municipal AHOs pursuant to Public Chapter No. 1128 of the 2010 Public Acts. Pursuant to this law, a municipality can, via ordinance, create an administrative hearing office with jurisdiction to hear violations of certain locally adopted codes. The law also allows a municipality, through its AHO, to levy fines for such violations in excess of \$50.00.

FBI and Penn State Collaborate on Delivering Death Notifications Course

The We Regret to Inform You training module provides the resources to offer a death notification with professionalism, dignity and compassion. The course takes about 45 minutes to complete and includes an end-of-course assessment that will generate a certificate with successful completion.
