6-30-101. Alternative incorporation method. An alternative method whereby unincorporated territory may become an incorporated city is provided by chapters 30-36 of this title. [Acts 1957, ch. 238, § 1.01; modified; T.C.A., § 6-3001.]

6-30-102. Definitions. As used in chapters 30-36 of this title, unless the context otherwise requires:

- (1) "City" means any city or territory to be incorporated that may adopt the provisions of chapters 30-36 of this title;
- (2) "County" means the county in which any such city or territory to be incorporated under chapters 30-36 of this title is located, or in which the major portion of the population of any such city or territory to be incorporated is located as indicated by the last federal census; and
- (3) "This charter" refers to chapters 30-36 of this title. [Acts 1957, ch. 238, § 1.02; T.C.A., § 6-3002; Acts 1959, ch. 139, § 1.]

6-30-103. Right of incorporation; minimum population; proximity to existing municipalities. (a) The residents of any unincorporated territory that it is desired to incorporate shall have the right to adopt the provisions of chapters 30-36 of this title in the manner provided in these chapters; and thereafter such territory shall be and become incorporated and be governed as set forth in these chapters. No unincorporated territory shall be incorporated under the provisions of chapters 30-36 of this title unless such territory contains not less than five thousand (5,000) persons, who shall be actual residents of the territory.

(b) No unincorporated territory shall be incorporated within three (3) miles of an existing municipality or within five (5) miles of an existing

municipality of one hundred thousand (100,000) or more in population, according to the latest census certified by the department of economic and community development. "Existing municipality" and "existing municipality of one hundred thousand (100,000) or more in population" do not include any county with a metropolitan form of government with a population of one hundred thousand (100,000) or more, according to the latest census certified by the department of economic and community development.

(c) Notwithstanding subsection (a) or (b) to the contrary, a territory may be incorporated if the following conditions are fulfilled:

(1) The territory contains two hundred twenty-five (225) residents or more;

(2) The territory is composed of property that is one thousand six hundred feet (1,600) or more above sea level on the western border of the territory and contiguous with a county boundary on the eastern border of the territory;

(3) The territory is located within an area that is bordered on the west, north and east by the Tennessee River and on the south by the border between Tennessee and another state; and

(4) The territory is located within a metropolitan statistical area.

(d) Notwithstanding subsections (a)-(c) to the contrary, a territory may be incorporated that meets the following conditions:

(1) The territory contains three hundred (300) residents or more;

(2) The territory's western boundary is contiguous with the western boundary of the county in which it is located;

(3) The territory is located within an area bordered on the north by the Loosahatchie River and on the south by the Wolf River;

(4) The territory's eastern boundary is approximately parallel with the western boundary, but in no place is more than eight (8) miles from the western boundary; and

(5) The territory is located within a metropolitan statistical area.

(e) Notwithstanding the requirements of § 6-30-106, or any other provision of law to the contrary, the petition for incorporation of the territory described in this section may consist of a letter from a resident of the territory desiring to incorporate to the county election commission requesting that the question of incorporating the territory be placed on the ballot. The letter shall describe the exact boundaries of the proposed municipality, indicate the name of the proposed municipality, and indicate under which charter the territory desires to incorporate. The letter shall be treated as a petition meeting all the requirements of law. [Acts 1957, ch. 238, § 1.03; T.C.A., § 6-3003; Acts 1993, ch. 320, § 7; Acts 1996, ch. 666, §§ 3, 6.]

6-30-104. Adoption or surrender of charter; plan of services; hearing. (a) The adoption or surrender of the provisions of chapters 30-36 of this title shall be accomplished in the same manner as is provided in §§ 6-18-104(c), 6-18-105--6-18-113 and 6-30-106 for the adoption or surrender of the uniform city manager-commission charter; provided, that where those sections refer to chapters 18-22 of this title "the provisions of chapters 30-36 of this title" shall be substituted; that where the uniform city manager-commission charter is referred to "modified city manager-council charter" shall be substituted; and that where commissioners are referred to, "council members" shall be substituted.

(b) No unincorporated territory shall be allowed to hold a referendum on the question of whether or not to incorporate under this charter until a plan of services is documented, setting forth the identification and projected timing of municipal services proposed to be provided and the revenue from purely local sources to be payable annually. The plan of services shall be attached to the petition to incorporate when such petition is filed with the county election commission. The plan of services shall include, but not be limited to, police protection, fire protection, water service, sanitary sewage system, solid waste disposal, road and street construction and repair, recreational facilities, a proposed five-year operational budget, including projected revenues and expenditures, and the revenue from purely local sources to be payable annually. Municipalities that are first incorporated on or after July 1, 1993, that produce no local own-source revenues in any fiscal year, shall not receive any state-shared revenues during the next fiscal year.

(c) Prior to filing the petition with the county election commission, a public hearing on the referendum on the question of whether or not to incorporate under this charter and plan of services shall be conducted. The public hearing shall be advertised in a newspaper of general circulation for two (2) consecutive weeks. [Acts 1957, ch. 238, § 1.04; T.C.A., § 6-3004; Acts 1959, ch. 139, § 1; Acts 1983, ch. 33, § 6; Acts 1993, ch. 320, § 8.]

6-30-105. Construction. In the construction of any portion of this charter whose meaning or application is in dispute, it is intended that its phraseology shall be liberally construed to effect the substantial objects of chapters 30-36 of this title. [Acts 1957, ch. 238, § 9.01; T.C.A., § 6-3005.]

6-30-106. Election to incorporate; notice; applicability. (a) An election for the purpose of determining whether or not chapters 30-36 of this title shall become effective for any city shall be called by the county election commission or, if the area is in two (2) or more counties, jointly by the county election commissions of the affected counties, upon the petition in writing of twenty percent (20%) of the number of registered voters of the city or territory voting at the last general election, which petition shall state therein the proposed corporate name and shall designate therein in a sufficient manner the

boundaries of the proposed municipal corporation, which may be done by a general reference to the boundaries then existing if there is one, and the boundaries of the councilmanic districts, or shall have attached thereto a map of the area to be incorporated on which the councilmanic districts are shown.

(b) The county election commission shall, in addition to all other notices required by law, publish one (1) notice of the election in a newspaper of general circulation within the territory of the city or of the proposed city and post the notice in at least ten (10) places in the territory.

(c) Except for the provisions of chapters 30-36 of this title that are adopted by reference in other municipal charters, the provisions of chapters 30-36 of this title apply only to those cities that have adopted chapters 30-36 of this title by referendum as authorized by law. [Acts 1959, ch. 138, § 1; T.C.A., § 6-3006; Acts 1963, ch. 388, § 1; Acts 1972, ch. 740, § 4(48); Acts 1995, ch. 13, § 14; Acts 1997, ch. 98, § 6.]

6-30-107. Unconstitutional.

6-30-108. Municipal incorporation; tax revenues.

(a) Notwithstanding any other provision of law to the contrary, whenever a new municipality incorporates under any form of charter, the county or counties in which the new municipality is located shall continue to receive the revenue from all state and local taxes distributed on the basis of situs of collection, generated within the newly incorporated area, until July 1 following the incorporation, unless the incorporation takes effect on July 1.

(b) If the incorporation takes effect on July 1, then the municipality shall begin receiving revenue from such taxes generated within its corporate boundaries for the period beginning July 1.

(c) Whenever a municipality incorporates, the municipality shall notify the department of revenue of such incorporation prior to the incorporation becoming effective for the purpose of tax administration.

(d) Such taxes shall include the local sales tax authorized in § 67-6-103, the income tax on dividends authorized in § 67-2-102, and all other such taxes distributed to counties and municipalities based on the situs of their collection. [Acts 1998, ch. 651, § 3]

6-31-101. Council members; election procedure. (a) All corporate, legislative, and other powers of the city, except as otherwise provided in chapters 30-36 of this title, shall be vested in a council, and the council shall be composed of members to be elected as provided in this section: One (1) member of the council shall be elected from each voting precinct of the incorporated area, to be voted on exclusively by the members of that particular voting precinct, and no person not a resident of the voting precinct shall be eligible to run for the

office of council member from that voting precinct. In the event the incorporated area takes in a portion or a part of a voting precinct, that portion or part shall be considered, so far as the provisions of this section are concerned, as a complete voting precinct. For the purposes of complying with chapter 30 of this title, each voting precinct shall be known as a councilmanic district.

(b) If an area to be incorporated, or that has been incorporated under chapters 30-36 of this title, lies in two (2) or more counties, the county election commissions of the counties in which the area lies shall jointly conduct elections under chapters 30-36 of this title.

(c) If the area to be incorporated includes inactive voting precincts or portions of inactive voting precincts, or both, the inactive voting precinct or portions of the inactive precincts, or both, shall be included in a contiguous voting precinct. An inactive precinct is one in which a general state election has not been held for five (5) years prior to the date of filing the petition for incorporation.

(d) In no event shall the membership of the council be less than seven (7), and in the event there are not sufficient voting precincts to elect a minimum of seven (7) members, the additional members of the council shall be elected at large. Council members from the city at large shall be voted on by the electors in all voting precincts.

(e) Any city operating under this charter may elect all such council members from the city at large, at its option. The option may be exercised by a private act of the general assembly providing for such when ratified as provided for by article XI, § 9 of the Constitution of Tennessee.

(f) Election to the board of education shall be as provided in chapter 36 of this title. [Acts 1957, ch. 238, § 3.01; T.C.A., § 6-3101; Acts 1959, ch. 321, § 1; Acts 1969, ch. 322, § 1; Acts 1972, ch. 740, § 4(49).]

6-31-102. Council members; election date. (a) The first election of council members in any city incorporating under chapters 30-36 of this title shall be had on the fourth Tuesday following the election at which the provisions of chapters 30-36 of this title have been adopted, and a regular municipal election shall be held biennially thereafter.

(b) (1) Any city operating under this charter may change the date of holding its regular biennial municipal election from the date provided in subsection (a) to the first Tuesday after the first Monday in November, to coincide with the election of members of the general assembly and representatives in the congress of the United States, as provided in § 2-3-203 or to coincide with the August general election. This option may be exercised by ordinance duly adopted in accordance with § 6-32-202. The ordinance changing the election date shall provide for the extension of the terms of council members necessary to meet the election date, but no term may be extended for more than two (2) years beyond its regular expiration date.

(2) Nothing in subdivision (b)(1) shall be construed to remove any incumbent from office or abridge the term of any incumbent prior to the end of the term for which an elected official was selected.

(3) If the council changes the date of municipal elections pursuant to subdivision (b)(1), the council may at a later date change the election date back to what such date was prior to moving the election date to coincide with the August or November general election. The council may only make an election date change under this subdivision (b)(3) one (1) time. Terms of incumbent council members shall not be abridged to accomplish an election date change under this subsection (b); however, council members elected at a date change pursuant to this subsection (b) may take office at a later date so as to not abridge terms of incumbent council members. If such council members take office at a later date, their term may be abridged due to such members having to take office at the later date. [Acts 1957, ch. 238, § 3.02; T.C.A., § 6-3102; Acts 1971, ch. 69, § 1; Acts 2010, ch. 1008, § 3.]

6-31-103. Voter eligibility. In any election under this charter, registered voters of the city or territory may vote. [Acts 1957, ch. 238, § 3.03; T.C.A., § 6-3103; Acts 1972, ch. 740, § 4(50).]

6-31-104. No partisan elections. All elections shall be nonpartisan. [Acts 1957, ch. 238, § 3.04; T.C.A., § 6-3105; Acts 1959, ch. 139, § 1; Acts 1972, ch. 740, § 4(51).]

6-31-105. Council offices; eligibility. Any qualified voter of the city is eligible for election to the office of council member; provided, that such voter has been a resident of the city for one (1) year next preceding the day of election; and provided further, that before taking office, the voter resigns any state, county, or other municipal office or position of employment that is filled by public election or that is remunerative, except as a notary public or member of the national guard. [Acts 1957, ch. 238, § 3.05; T.C.A., § 6-3106.]

6-31-106. Council nominations; deadline. The deadline for filing nominating petitions for the first councilmanic election after incorporation is thirty-five (35) days before the councilmanic election will be held. [Acts 1957, ch. 237, § 3.06; T.C.A., § 6-3107; Acts 1961, ch. 267, § 1; Acts 1972, ch. 740, § 4(52).]

6-31-107. Council members; terms; staggered terms. The terms of council members elected at this and all succeeding elections for the office of council shall be four (4) years. However at the option of the council, an ordinance may be adopted by two thirds (2/3) of the entire membership of the council prescribing and fixing staggered terms for members of the council, and the

ordinance may shorten or extend the terms of current members of the council for the sole purpose of staggering the terms, but otherwise the terms of office shall be four (4) years. [Acts 1957, ch. 238, § 3.07; T.C.A., § 6-3108; Acts 1959, ch. 139; Acts 1993, ch. 353, § 4.]

6-31-108. Prohibited campaign conduct; penalty. If a candidate or any person on such candidate's behalf directly or indirectly gives or promises to any person or persons any office, employment, money, benefit, or anything of value in connection with such candidate's candidacy, upon conviction thereof such person shall be punished by a fine of not more than fifty dollars (\$50.00), and shall thereafter be ineligible to hold any office or position of employment in the city government for a period of five (5) years. [Acts 1957, ch. 238, § 3.08; T.C.A., § 6-3109.]

6-31-109. Election results; certification; notice. The county election commission or county election commissions shall determine and declare the results of the election and shall certify the results of the election. The chair of the county election commission or the chairs shall by mail send notices of election to the elected candidates, indicating the term to be served by each. A notice of the certification shall be published in a newspaper of general circulation in the city. [Acts 1957, ch. 238, § 3.09; T.C.A., § 6-3110; Acts 1963, ch. 389, § 1; Acts 1972, ch. 740, § 4(53).]

6-31-110. Election expenses. All expenses of the election shall be borne and paid by the city within six (6) months after the election. [Acts 1957, ch. 238, § 3.10; T.C.A., § 6-3111.]

6-31-111. Council members; taking of office; date and time. Persons elected to the office of council member shall take office the second Tuesday after the election at twelve o'clock (12:00) noon. [Acts 1957, ch. 238, § 3.11; T.C.A., § 6-3112.]

6-31-112. Oath of office; filing; accompanying bond. (a) Every officer or employee before taking any office in the city government shall take, subscribe to and file with the city clerk the following oath or affirmation:

"I solemnly swear (or affirm) that I possess all the qualifications prescribed for the office (or position) of _____, as prescribed by this charter, and that I will support the Constitution and will obey the laws of the United States and of the state of Tennessee, that I will, in all respects, observe the provisions of the charter and ordinances of the city of _____, and that I will faithfully discharge the duties of the office (or position) of _____."

(b) Any bond that may be required by law shall be filed with the oath or affirmation in subsection (a) in the office of the city clerk; provided, that the first seven (7) council members elected shall file the oath with the county mayor of the county wherein the city is located. Failure to comply with this section within ten (10) days from the date of election or appointment shall vacate the office involved, unless the council shall, by resolution, extend the time for qualifying. [Acts 1957, ch. 238, § 3.12; T.C.A., § 6-3113; impl. am. Acts 1978 ch. 934, §§ 16, 36.]

Part 2--Vacancies

6-31-201. Council vacancies; creation and filling. (a) A vacancy shall exist if a council member:

- (1) Resigns;
- (2) Dies;
- (3) Moves the member's residence from the district in which the council member was elected;
- (4) Has been continuously disabled for a period of six (6) months so as to prevent the council member from discharging the duties of such office;
- (5) Fails to attend sixty percent (60%) of regular council meetings in any period of six (6) consecutive months;
- (6) Accepts any state, county or other municipal office or position of employment that is filled by public election or that is remunerative, except as a notary public or member of the national guard; or
- (7) Is convicted of malfeasance or misfeasance in office, a felony, a violation of the charter, or a violation of the election laws of the state.

(b) A vacancy shall be filled within thirty (30) days, by an affirmative vote of a majority of the remaining council members, the appointee to serve until the next regular city or county election, whichever is first held. If a tie vote by the council to fill a vacancy is unbroken for thirty (30) days, the mayor shall appoint a qualified person to fill the vacancy. No appointment to fill a vacancy shall be made within sixty (60) days prior to any regular city election. [Acts 1957, ch. 238, § 3.13; T.C.A., § 6-3114; Acts 1959, ch. 139, § 1; Acts 1972, ch. 494, § 1; Acts 1974, ch. 755, § 1.]

Part 3--Recalls

6-31-301. Board of education; removal procedures. (a) Any member of the board of education of the city elected or appointed to fill a vacancy under this charter may be removed from office by the registered voters of the city.

(b) The procedure to effect such removal shall be as follows:

(1) A petition, signed by registered voters equal in number to at least sixty-six percent (66%) of the total vote cast for the candidate for the board of education receiving the highest number of votes at the last regular election, demanding the recall of the person sought to be removed shall be filed with the county election commission, and notice given by the commission of such filing by publication at least once in the official city newspaper, which petition shall contain a general statement of the grounds upon which the removal is sought. The signatures to the petition need not all be appended to one (1) paper, but each signer shall sign such signer's name, and shall place thereon, after such signer's name, the date of signing and such signer's place of residence by street and number or by other customary designation;

(2) To each petition paper there shall be attached a sworn affidavit by the circulator thereof stating the number of signers thereto and that each signature thereon is the genuine signature of the person whose name it purports to be, and that it was made in the presence of the affiant;

(3) Such petition shall be filed with the county election commission, which shall, within fifteen (15) days, canvass the signatures thereon to determine the sufficiency thereof;

(4) A separate petition shall be filed for each person sought to be removed; and

(5) The county election commission shall attach to such petition its certificate showing the result of the examination. [Acts 1957, ch. 238, § 3.14; T.C.A., § 6-3115; Acts 1959, ch. 139, § 1; Acts 1972, ch. 740, § 4(54).]

6-31-302. Board of education; removal petition; amendment. If, by the certificate, the petition is shown to be insufficient, it may be amended within ten (10) days from the date of the certificate. The county election commission shall, within fifteen (15) days after such amendment, make the same examination as provided in § 6-31-301 of the amended petition, and, if its certificate shall hold the same to be insufficient, such petition shall be returned to the persons filing it. [Acts 1957, ch. 238, § 3.15; T.C.A., § 6-3116.]

6-31-303. Board of education; recall of members; calling to election. If the county election commission's certificate shows that the petition

6-31-304. Board of education; recall election. At such election, the voter shall vote either "for recall" or "against recall." If sixty-six percent (66%) of those voting vote "for recall," the person named shall be declared removed from office and the office declared vacant. Such vacancy shall be filled as directed in § 6-36-107. The method of removal shall be cumulative and additional to the methods heretofore existing by law. No more than one (1) election for the purpose of recall shall be held in any six-month period, and no such election shall be held within a period beginning ninety (90) days before and ending ninety (90) days after a regular municipal election. [Acts 1957, ch. 238, § 3.16; T.C.A., § 6-3118; Acts 1959, ch. 139, § 1; Acts 1972, ch. 740, § 4(56).]

The signatures to the petition need not all be appended to one (1) paper, but each signer shall sign such signer's name, and shall place thereon, after such signer's name, the date of signing and such signer's place of residence by street and number, or by other customary designation;

(2) To each petition paper there shall be attached a sworn affidavit by the circulator thereof stating the number of signers thereto, that each signature thereon is the genuine signature of the person whose name it purports to be, and that it was made in the presence of the affiant;

(3) Such petition shall be filed with the county election commission, which shall, within fifteen (15) days, canvass the signatures thereon to determine the sufficiency thereof;

(4) A separate petition shall be filed for each person sought to be removed; and

(5) The county election commission shall attach to such petition its certificate showing the result of the examination.

Its presiding officer may administer oaths to witnesses. [Acts 1957, ch. 238, § 4.09; T.C.A., § 6-3209.]

6-32-110. Compensation. (a) Each member of the council shall be compensated at the rate of five dollars (\$5.00) per meeting attended but not to exceed one hundred twenty dollars (\$120) per year. At the option of the council, an ordinance may be adopted by a two-thirds (2/3) vote of its entire membership to fix the compensation of members of the council at an amount not exceeding one hundred fifty dollars (\$150) per month, and the council person serving as mayor not exceeding two hundred dollars (\$200) per month, to take effect at the end of the term of the council person whose term last expires.

(b) Notwithstanding the limits established in subsection (a), the council may, upon the adoption of an ordinance by a two-thirds (2/3) vote of the entire membership of the council, fix the salaries of the mayor and the members of the council annually at the time the operating budget is adopted; provided, however, an increase or decrease in salary must not take effect prior to the end of the term for which the members of the council were elected.

6-32-201. Scope and form. Any action of the council having a regulatory or penal effect, relating to revenue or the expenditure of money, or required to be done by ordinance under this charter, shall be done only by ordinance. Each ordinance shall relate to a single subject, which shall be expressed in a title, and upon passage shall be further identified by a number and, if desirable, a short title. The enacting clause of all ordinances shall be: "Be it ordained by the Mayor and Council members of the City of (here insert name)." Other actions may be accomplished by resolutions or motions. Each motion, resolution and ordinance shall be in written form before being introduced. [Acts 1957, ch. 238, § 5.01; T.C.A., § 6-3211.]

(a) Each ordinance, before being adopted, shall be read at two (2) meetings not less than one (1) week apart, and shall take effect ten (10) days after its adoption; provided, that, where an emergency exists and the public safety and welfare requires it, an ordinance containing a full statement of the facts and reasons for the emergency may be made effective upon its adoption if approved by a majority of the members of the council on two (2) readings on successive days. As used in this subsection (a), "read" means the reading of the caption of the ordinance.

(b) At least the title and a brief summary of each ordinance, except an emergency ordinance, shall be published in the official city newspaper at least one (1) week before final passage, either separately or as part of the published proceedings of the council.

(c) Amendments of ordinances and resolutions or parts thereof shall be accomplished only by setting forth the complete section, sections, subsection, or subsections in their amended form.

(d) An ordinance may be repealed by reference to its number and title only and publication of the ordinance may be similarly limited. [Acts 1957, ch. 238, § 5.02; T.C.A., § 6-3212; Acts 1993, ch. 353, § 2.]

6-32-203. Public inspection. Every proposed ordinance granting any permit or right to occupy or use the streets, highways, bridges, or public places in the city for any purpose or granting any franchise, exclusive contract or other special privilege shall remain on file with the clerk for public inspection for at least two (2) weeks before its final adoption in the complete form in which it is finally passed. [Acts 1957, ch. 238, § 5.03; T.C.A., § 6-3213.]

6-32-204. Recordation and publication. (a) All ordinances and their amendments shall be recorded by the clerk in a book to be known as the "ordinance book," and it shall be the duty of the mayor and clerk to authenticate such records by their official signatures. A separate record shall be maintained

for resolutions. The original copies of all ordinances, resolutions, and motions shall be filed and preserved by the city clerk.

(b) At least an abstract of the essential provisions of each ordinance shall be published once in the official city newspaper within ten (10) days after its adoption, except that only the title shall be so published of any technical code adopted by reference. [Acts 1957, ch. 238, § 5.04; T.C.A., § 6-3214.]

6-32-205. Codification of certification. The council shall, within one (1) year after the adoption of this charter, and every ten (10) years thereafter, arrange for the codification of all ordinances and resolutions having a regulatory effect or of general application that are to be continued in force. Current loose-leaf editions of the official code shall be maintained and be made available for purchase by the public at a reasonable fee established by the council. The code shall carry notes and cumulative references indicating prior amendments to any section thereof. Copies of the official code may be certified by the city clerk, and when so certified shall be competent evidence in all courts and legally established tribunals as to the matters contained therein. [Acts 1957, ch. 238, § 5.05; T.C.A., § 6-3215.]

6-32-206. Rules and regulations. The council may by ordinance authorize the city manager to formulate and promulgate formal rules and regulations having regulatory effect or of general application on various matters, subject to such restrictions and standards of guidance as the council may prescribe. No such formal rule or regulation shall take effect until it is filed with the city clerk, who shall file and preserve the original copy in such clerk's office. Such rules and regulations shall be included as a separate section of the city code. Amendments of such rules and regulations shall be accomplished only by setting forth complete sections or subsections in their amended form. [Acts 1957, ch. 238, § 5.11; T.C.A., § 6-3216.]

6-32-207. Rules of construction; severability. In the construction of the ordinances of the city, the following rules shall be observed, unless such construction would be inconsistent with the manifest intent of the council. If any portion of an ordinance or the application thereof to any person or circumstances is found to be invalid by a court, such invalidity shall not affect the remaining portions or applications of the ordinance that can be given effect without the invalid portion or application, provided such remaining portions are not determined by the court to be inoperable, and to this end ordinances are declared to be severable. [Acts 1957, ch. 238, § 5.12; T.C.A., § 6-3217.]

6-32-208. "Blue Laws"; repeal by referendum. (a) Any municipality having an ordinance prohibiting retail sales or deliveries of merchandise on Sunday may repeal the same by a referendum election for the ratification or rejection of the ordinance. The mayor and council by resolution may request the

county election commission to hold a special or regular referendum election for the ratification or rejection of the Sunday ordinance; provided, the county election commission receives the necessary resolution requesting the election at least thirty (30) days before the date on which the election is scheduled to be held.

(b) At any such election, the only question submitted to the voters shall be in the following form:

"For ordinance prohibiting sale or delivery of retail merchandise on Sunday.

Against ordinance prohibiting sale or delivery of retail merchandise on Sunday."

(c) The election commission shall certify the result to the mayor and council of the municipality. If a majority of those voting in the referendum favor repeal, the ordinance thereby shall be repealed. If a majority of those voting in the referendum oppose repeal, the ordinance shall continue in effect until legally amended or repealed.

(d) A referendum on this subject shall not be held more than once every twelve (12) months from the date of election. [Acts 1984, ch. 592, § 1.]

- (6) Entering into contracts relating to acceptance of payments in lieu of taxes or state, federal, or other contributions; and
- (7) The furnishing of services to the federal government and its designees, outside the city limits as well as within.

(b) The subject and purpose of any such contract or cooperative action made and entered into by the council shall be within the scope of the powers of the city. [Acts 1957, ch. 238, § 6.15; T.C.A., § 6-3307.]

6-33-108. Additional powers; exercise. The parties to such a contract or cooperative action, or any of them, may acquire, by gift or purchase, or by the power of eminent domain exercised by one (1) or more of the parties, the lands, buildings, and other property necessary or useful for the purposes of the contract or cooperative action, either within or without the corporate limits of one (1) or more of the contracting parties, and shall have the power to hold or acquire such lands as tenants in common. The city may provide for the financing of its share or portion of the cost or expenses of such a contract or cooperative action in the same manner and by the same procedure for the financing by the city of the subject and purposes of the contract or cooperative action as if acting alone and on its own behalf.

(b) Such contract also may provide for the establishment and selection of a joint commission, officer, or officers to supervise, manage, and have charge of such joint service or project, and may provide for the powers and duties, terms of office, compensation, if any, and other provisions relating to the members of such joint commission, officer, or officers. Such contract may include and specify terms and provisions relative to the termination or cancellation of the contract or cooperative action by ordinance or resolution, and the notice, if any, to be

given of such termination or cancellation; provided, that such termination or cancellation shall not relieve any party participating in such contract or cooperative action from any obligation or liability for its share of the cost or expense incurred prior to the effective date of any such termination or cancellation. [Acts 1957, ch. 238, § 6.16; T.C.A., § 6-3308.]

All public officers acting under the authority of a contract or cooperative action under § 6-33-107 or § 6-33-108 are deemed to be subject to the same liabilities to which they would have been subjected for actions occurring entirely within their own territorial limits. [Acts 1957, ch. 238, § 6.17; T.C.A., § 6-3309.]

6-33-110. Contracts and cooperative actions; receipts; deposit and disbursement. (a) No franchise or grant for the operation of a water, electric, telephone, steam, or public transportation or other utility that is not revocable at the will of the council shall be granted or become operative, except by ordinance. Such ordinance shall become effective thirty (30) days after its adoption by the council unless twenty percent (20%) of the qualified electors of the city sign a petition and present it to the council during such thirty-day period requesting that the ordinance be referred to the electors, in which case it must receive the approval of a majority of the electors voting thereon at a municipal election, and all renewals, extensions and amendments thereof shall be granted only in the same manner.

(b) All public utility franchises granted under this charter shall be subject to the following rights of the city; provided, that this enumeration is not to be construed as being exclusive or as impairing council authority to impose any condition that may be in the municipal interest and within the power of the city to impose or require:

(1) To revoke for misuse, or nonuse, or for failure to comply with the provisions thereof;

(2) To require proper and adequate provision, extension, and maintenance of plant and service at the highest practicable standard of performance;

(3) To establish reasonable standards of service and prevent unjust discrimination in service or rates;

(4) To require uninterrupted service to the public in accordance with the terms of the franchise throughout the entire period thereof; and

(5) To impose such other regulations as may be determined by the council to be necessary to the health, safety, welfare, and accommodation of the public.

(c) The council may institute such actions or proceedings as may be necessary to enforce a franchise and may revoke, cancel, or annul all franchises that have become inoperative, illegal, or void and not binding upon the city. Subject to state law, all public utility franchises shall prescribe the manner of fixing rates, fares, and charges, and the readjustments thereof at reasonable intervals at the discretion of the city. The value of the property of the utility used as a basis for fixing such rates, fares, and charges shall in no event include a value predicated upon the franchise, good will, or prospective profits.

(d) This section shall not be construed to repeal, abridge, modify or supersede any statute or law of the state pertaining to the Tennessee public utility commission or the regulation of public utilities which are subject to its jurisdiction, and subdivisions (b)(2), (3), and (4) shall not apply to any public utility over which the commission exercises regulatory authority. [Acts 1957, ch. 238, § 6.35; T.C.A., § 6-3311; Acts 1995, ch. 305, § 72 ; Acts 2017, ch 94, §§ 7, 78.]
