Sketch of Project Attached: YES NO Engineering Plans Submitted: YES NO

- 1) I agree that I will comply with all ordinances, laws, and City policies regulating rights-of-way management, grading, land disturbance, erosion/sedimentation control, and stormwater management.
- 2) I agree to allow access to said activities for inspection by City of Athens personnel.
- 3) All erosion/sedimentation control measures will be installed before land disturbance activities begin and will be properly maintained throughout the grading/land disturbing activities. I further agree to add any additional erosion/sedimentation control measures as requested by the City of Athens.
- 4) All money, fees, losses, and/or damages due the City of Athens by the owner and/or contractor from previous construction have been paid in full. No permits will be issued until all moneys due the City have been paid in full or otherwise satisfied.
- 5) I agree that I will be responsible for any damages to the public right-of-way including City sidewalks and streets caused by this work.
- 6) I have obtained the necessary insurance as required and identified in §16-214.
- 7) A traffic control plan has been submitted and approved (when traffic will be impacted).
- 8) Applicant is responsible for contacting the *Athens Utilities Board* to discuss utility services and locations.
- 9) Applicant is responsible for Tennessee One Call 72 hours prior to excavation - toll free: 800-351-1111.
